The ECOSOC Youth Forum's breakout session on the Sustainable Development Goal 4 (SDG 4) will highlight the key role of education for the implementation of the 2030 Agenda for Sustainable Development. The discussion will bring together young people from across the world as dynamic, resourceful, and powerful agents of change in their communities. Education is an investment in the future of both young people and society as a whole. The session "You(th) Speak on Education" will aim to reflect a youth perspective on SDG 4 and its targets.
